PROJECTS

Cava Manager App

<https://cava-manager.herokuapp.com/>

A CRUD application restaurant administrator can use to add and remove menu items.

Full Stack Development

Designed and developed webpage with React, Express & Express Router, MongoDB(mongoose) Bootstrap & CSS.

Cava

<http://www.margarita.design/cava>

Restaurant webpage that showcases dishes, menu and location of restaurant.

Front End Development

Designed and developed webpage utilizing AJAX, HTML, CSS, SASS, JavaScript, jQuery and Bootstrap.

Poke-Switch

<https://morning-mesa-94984.herokuapp.com/>

A memory game featuring Pokémon, play for a sense of pride!

Front End Development

Designed and developed game utilizing React, JSON, CSS and Bootstrap.

Neighborly

<https://app-neighborly.herokuapp.com/>

A social media page for tenants in apartments. Gives people the ability to interact with one another.

Back End Development

My contributions were to develop the database using Mongo, create the schema and forms, as well as connect the forms to database. Implemented Cloudinary for upload to store user's media and utilized API routes to return users information to the interface. Assisted a team member in creating user posts. All technologies used: React, MongoDB, Express, Cloudinary and Auth0.

Result Oriented

EDUCATION

University of Minnesota, Minneapolis, MN

Full Stack Web Development Bootcamp

March 2018 - August 2018

An intensive 24-week long boot camp dedicated to designing and building web applications. Skills learned consisted of HTML5, CSS3, JavaScript, jQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handlebars JS, & React Js.

WORK EXPERIENCE

JavaScript Developer & Data Analyst

January 2019 – Current

Ameriprise, Minneapolis, MN

IT Specialist

July 2018 – December 2018

People Net, Minnetonka, MN

Assist clients in troubleshooting and problem-solving application errors. Utilize critical thinking skills in order to effectively communicate specific directions to clients in order to resolve problems with software in a timely manner currently contributing to an average call time of 13:00 to overall department goal of 15:00.

Ability to work under competing deadlines in order to contribute to departmental goals; achieved 98% customer satisfaction score in August, 97% September, 99% October, 100% November.

Utilizing SPLUNK in order to analyze Open Interface for data flow. Trouble shoot with customers in regards to how data is being sent to the OI and make recommendations on how to correctly format XML.

Store Manager

July 2016 – July 2018

Office Depot, Savage, MN

Boosted comp sales of 5.6% YOY by focusing on team development in core areas; customer engagement and interaction, knowledge of products and services, ARC 3 (ask, recommend, cross-sell.)

Achieved customer satisfaction score of 91% surpassing company standard of 70% by coaching employees to effectively listen to clients and offer

Attained shrink goal of .01% of budgeted .03% attributed to coaching, training and follow up on LP systems.

District Manager

January 2012 – July 2016

Burger King, Minneapolis, MN

Direct Supervisor for 8 Burger King restaurants with sales volume of 10 million annual with territory span of Mall of America to Austin Minnesota

Achieved sales targets 13% over budget, sales growth attributed to effective communication and consistent follow up on operations, marketing, and execution of new products

Elevated HR compliance standards by holding regular training classes with all new members of management decreasing number of HR related incidents for District from 25 yearly to 4. Successfully opened new restaurants (MOA, Roseville, Shakopee, remodels: Faribault, Burnsville, Owatonna.)
